Anand Parkash  
Deputy General Manager - IT

## **ANNEXURE (to the Corrigendum-5 dated 05.02.2016)**

### **Clarifications**

#### **1. Website Redesigning**

Currently, STC website (stc.gov.in) which has been developed using DOTNET & SQL Database is hosted at NIC.

The redesigned website is expected to have additional content in a visually attractive and dynamic manner additionally supporting flash, audio & video content. The website should have provision for login by employees, ex-employees, business associates, etc. The website should be quick and easy to download and navigate. It should be compatible with all common web-browsers.

The website should have Content Management System through which the content can be uploaded/updated on the website as and when required.

Any licenses that may be required for designing, updating, use of databases and reporting on the website, etc. have to be procured by the selected bidder. All the security aspects, error-handling, bug fixation, any modification in codes in the website shall also be taken care by the selected Bidder.

The necessary STQC audit and Cert-In audits on regular intervals as per statutory requirements shall also be arranged by the selected Bidder at their own cost.

#### **2. UPS**

Selected Bidder is required to supply UPS with minimum 30 minutes backup for the components supplied by the Bidder at all STC locations.
