In case of non submission of SSI certificate having current validity the tender will be rejected. In case of SSI units claiming exemption from payment of EMD an undertaking in a stamped paper valued at Rs.20/- should be furnished for making good the loss, if any, sustained by the sugar mill for breach of conditions warranting the forfeiture of EMD.

In the case of successful tenderers, the Earnest money Deposit remitted by them will be refunded after deduction of sample test charges and only after satisfactory completion of the supply of the entire ordered quantity and replacement of rejected Polypropylene (pp) bags with inner liner 50 kg. capacity and shortages to all the sugar mills. In case of unsuccessful tenderers, the Earnest Money Deposit will be refunded after deduction of the sample testing charges within one month from the date of finalising the

tender. The EMD carries no interest. The amount remitted towards EMD is liable to be forfeited, in case, the tenderer resiles from their offer after submission of the tender or after the acceptance of the offer by the Tamil Nadu Coop Sugar Federation.

7. SECURITY DEPOSIT:

The successful tenderer should remit a security deposit of 5% of the total value of the order subject to a maximum of Rs.30.00 lakhs (Rupees thirty lakhs only) by way of RTGS / Demand Draft / Banker's Cheque drawn on Nationalised Bank in favour of Tamil Nadu Cooperative Sugar Federation Ltd. within 7 days from the date of receipt of the first communication of acceptance of tender from the Tamil Nadu Cooperative Sugar Federation. Only after receipt of Security Deposit, orders for fixation of rate contract will be issued by the Tamil Nadu Coop Sugar Federation Ltd. Any failure to remit the security deposit will entail termination of the contract besides forfeiture of EMD. In addition, the Tamil Nadu Coop Sugar Fedn Ltd will be entitled to recover the consequential loss if any sustained by the Tamil Nadu Coop Sugar Federation Ltd from the tenderers due to purchase made in tender or in any other manner. The Security Deposit will be refunded only after satisfactory completion of the supply of the entire ordered quantity and replacement of rejected Polypropylene (PP) Bags bags with inner liner of 50 Kg capacity or shortage to all the mills. The security deposit carries no interest.

8 BRANDING AND PACKAGING :

The bags are to be printed as per printing matter given by the concerned mills and should be FLAT PACKED in wrapper Polypropylene sheet, well pressed, bound bale containing Polypropylene (pp) bags with inner liner of 50 Kg capacity duly marked as per BIS specifications and despatched in covered vehicles. Despatch shall be made strictly on "freight paid" basis only at the seller's risk. The Polypropylene (pp) bags with inner liner 50 kg. capacity shall be so made that the contents are protected from stains, oil, water or any other damage in handling. Bags should not stick with one another and should easily be separable. The packing must conform strictly to specification given in clause no: 9.

9 SPECIFICATION

The tenderer should supply Polypropylene (pp) bags with inner liner 50 kg. capacity having **inside length: 90 cm. , inside width: 61 cm and Weight of bag is 125 grms (+6/-3)** and confirming to all other specifications as prescribed by **BIS (IS:14968:2001) and subsequent amendments made there on.** Tenderer should ensure the supply of quality Polypropylene (pp) bags with inner liner 50 kg. capacity. For the purpose, a specific undertaking should be given by the successful bidder. The Polypropylene (PP) Bags **with inner liner weight is 35 gms (+/-2) 50 kg capacity** are to be sent for testing from each consignment and payment will be made only for the Polypropylene (pp) bags with inner liner 50 kg. capacity received as per the specification given above. If the quality is not up to the specified standard, the supplier has to take back the entire load of rejected bags within 7 days from the mills premises. The test charges for sample Polypropylene (pp) bags with inner liner 50 kg. capacity sent for analysis will be recovered from the supplier. The Polypropylene (pp) bags with inner liner 50 kg. capacity which conform

to the above specification alone will be accepted. In case, if Polypropylene (pp) bags with inner liner 50 kg. capacity supplied are found not conforming to the above specification, the same will be rejected by the mills and notice will be sent to the successful tenderer by the Sugar Mill requiring them to supply Polypropylene (pp) bags with inner liner 50 kg. capacity as per the specification. Even after giving two such notices, if the supplier fails to supply Polypropylene (pp) bags with inner liner 50 kg. capacity which conform to specification given above, action will be taken to blacklist the supplier and to disqualify the tenderer from taking part in the future tenders floated by the Tamil Nadu Coop. Sugar Federation and mill reserves the right to cancel the order for the quantity of Polypropylene (pp) bags with inner liner 50 kg. capacity remaining to be supplied and procure the same at the prevailing market rate from other sources at the risk and cost of the supplier. In that event the loss sustained, if any, by the sugar mills will be recovered from the supplier. The test report of the laboratory with regard to the conformity of the specification criteria is final and the tenderer should accept the same without raising any dispute.

Apart from the above test report the mill shall also undertake 100% checking of the entire Polypropylene (pp) bags with inner liner 50 kg. capacity at the time of segregation of the Polypropylene (pp) bags with inner liner 50 kg. capacity. Based on the segregation report the mill shall deduct the cost of the defective bags and shortage bags from the balance 10% or subsequent payment. (Please refer payment condition at clause No. 16)

10 SOURCE OF SUPPLY :

Supply shall be effected only from the Polypropylene (pp) bags with inner liner 50 kg. capacity manufacturers. The manufacturers shall be responsible for quality and timely supply of Polypropylene (pp) bags with inner liner 50 kg. capacity to the sugar mills concerned. Polypropylene (pp) bags with inner liner 50 kg. capacity manufactured in India alone should be supplied.

11 PRE INSPECTION :

Concerned sugar mills or Tamil Nadu Cooperative Sugar Federation have the right to pre-inspect the Manufacturing plant and materials either by their Officers or thro' any authorised inspection agency to ensure that the Polypropylene (pp) bags with inner liner 50 kg. capacity manufactured are in conformity with the specification given above. The supplier should offer all facilities for inspection prior to despatch. However, the supplier can not be absolved of their responsibility for quality supply just because of the prior inspection. Only final inspection at site of the concerned sugar mills will be binding on both the parties.

12 TRANSIT INSURANCE:

The Polypropylene (pp) bags with inner liner 50 kg. capacity despatched should be covered under Transit Insurance upto the delivery at the godown of the Sugar mills concerned. The Tamil Nadu Cooperative Sugar Federation / Sugar Mills will not be responsible for any loss or damages during transit. It is the sole responsibility of the supplier

to prefer claims with the Insurance Company for settlement of cost of loss / damages if any. The purchaser shall recover the amount on account of damages / shortage from any pending dues, EMD and Security Deposit of the supplier.

13 QUANTITY AND DELIVERY :

- a) The quantity mentioned in the tender for each mill is only approximate and the concerned sugar mills will place firm order for Polypropylene (pp) bags with inner liner 50 kg. capacity for each month requirement 30 days in advance. The supplier is to ensure the delivery of the Polypropylene (pp) bags with inner liner 50 kg. capacity within 15 days from the date of receipt of supply schedule intimation from the mill. The sugar mills/Federation reserves the right to modify the delivery schedule which is binding on the supplier.
- b) The quantity required is **approximately 51.50 lakhs pieces** of Polypropylene (PP) Bags with inner liner 50 kg. capacity. The respective sugar mills will place orders for the exact quantity required. The Tamil Nadu Coop. Sugar Federation and the concerned mills hereby reserves the right and shall be at liberty to reduce or increase the quantity of bags to be supplied during the period of contract remaining in force.
- c) The quantity quoted are tentative. According to the increase/decrease in quantity cane crush/Recovery % cane, the actual requirement of the PP bag with inner liner may vary. The supply should be made according to the requirements of the mill with the existing terms and conditions during the validity period of the contract.

14 DESPATCH DETAILS :

The supplier should furnish the details of despatches made at their end to the respective mill by fax under copy to Tamil Nadu Cooperative Sugar Federation.

15 PRICE :

The tenderer shall quote FIXED PRICE for Polypropylene (pp) bags with inner liner 50 kg. capacity which is common to all tenderers. The tenderers should quote the rates for the following items for Polypropylene (PP) Bags with inner liner 50 kg. capacity strictly in the format prescribed.

1. Basic Price
2. Applicable taxes & duties of Basic Price
3. Packing / Forwarding
4. Transport charges for delivery at millsite
5. Applicable taxes & duties of Transport charges
6. Insurance

Percentage of all applicable levies should be quoted.

Variation if any, in the Government levies between the date of tender and scheduled date of delivery shall be settled between the purchaser and seller subject to the production of documentary proof.

16 PAYMENT :

90% payment against the valid invoices will be made by the sugar mills concerned within 15 days of receipt of the goods at mill site, based on the Lab test report for each load which conforms to Specifications given in the clause no:9. **The balance 10% payment will be made by the sugar mills after completion of sugar season as per the terms and conditions of the tender.** Payment will be made by means of A/c payee cheque. If the supplier insists for Demand draft, the bank commission will be borne by the supplier. **Sugar mill conducting any test at outside Lab the testing charges will be deducted from the supplier bill.** If the quality is found inferior the sugar mill reserves the right to reject and payment will not be made.

The balance **10%** payment will be made by the sugar mills within 15 days from the date of completion of crushing operation for this sugar season with new consideration to all other terms and conditions pertaining to payment in the tender documents.

In the case of Kallkuruchi 1 and Kalluruchi 2 CSM the balance 10% payment for the main season within 15 days from the date of completion of crushing operation for this main sugar season with new consideration to all other terms and conditions pertaining to payment in the tender documents.

For the Special Season the balance 10% payment will be made within 15 days from the date of completion of special crushing operation for this sugar season with new consideration to all other terms and conditions pertaining to payment in the tender documents

17 Taxes and Duties :

The tenderer should give an undertaking in the format in Annexure-V to sugar mills to reimburse demand of additional levy if any, at the time of assessment of sugar mills by respective authority.

18 LIQUIDATED DAMAGE AND PENALTY :

- i. If the supplier fails to deliver the consignment to the sugar mills as per clause 13 above, liquidated damages at the rate of 2.5% of the value of delayed supplies per completed week subject to a ceiling of 10% will be recovered from the supplier. This will be deducted from the bills while making 90% payment.
- ii. If the delay extends beyond 4 weeks, the purchaser shall have the option to cancel the defaulted quantity and to procure the same quantity from other sources at the risk and cost of the supplier, in order to run the sugar mills un-interruptedly. In that event, the supplier is liable to pay to the purchaser, the differential cost including all components and other expenses **along with interest** that would be incurred by the purchaser in respect of this transaction.

19 FORCE MAJEURE CLAUSE :

In case the purchaser is not in a position to accept supplies as per terms of delivery due to any one of the following reasons, the purchaser reserves the right to suspend normal supply until the position returns to normalcy or even to terminate the contract if the circumstances are beyond their control.

- i) Strike
- ii) Lock-out
- iii) Accumulation of stocks or non availability of storage space
- iv) Power cut
- v) Decline in production or any other forces or natural calamities which affect the production of the purchaser.

The supplier should supply Polypropylene (pp) bags with inner liner 50 kg. capacity without any delay except due to natural calamities. The supplier has to build up the required stock of Polypropylene (pp) bags with inner liner 50 kg. capacity and ensure to supply the entire seasons requirements irrespective of strike, lock-out and other reasons except natural calamities.

In the event of delay lasting over fifteen days, the Federation reserves the right to cancel the order / contract without any compensation whatsoever and / or any consequential loss **along with interest** etc.

20 FORFEITURE OF EMD / SECURITY DEPOSIT :

In the event of failure to supply the ordered quantity of Polypropylene (pp) bags with inner liner 50 kg. capacity as per the specification or for violation of terms and conditions of the tender, the EMD and Security Deposit remitted by the tenderer will be forfeited. In addition to this, the Tamil Nadu coop Sugar Federation reserves the right to disqualify the tenderer to participate in future tenders or blacklist the tenderer. The Tamil Nadu Coop Sugar Fedn Ltd also reserves the right to purchase the undelivered quantity through re-tender at the risk and cost of the successful tenderers apart from collecting the consequential loss **along with interest** or by adjusting the loss from the bills payable to the supplier.

21 REPLACEMENT AND REMOVAL OF REJECTED BAGS :

(A) The Polypropylene (pp) bags with inner liner 50 kg. capacity received which are not in conformity with the specifications as per clause no.9 of terms and conditions will be rejected by the purchaser. The purchaser will open the bales and report the details of rejections if any to the supplier strictly within **30** days from the date of receipt of such consignment at mill site. The rejected Polypropylene (pp) bags with inner liner 50 kg. capacity as reported by the sugar mills should be replaced by the supplier in the form of Polypropylene (pp) bags with inner liner 50 kg. capacity with the requisite specification within a period of 7 days from the date of receipt of intimation from the sugar mills, failing which penalty will be levied as per clause 18 of the terms and conditions. In the case of replacement of defective / damaged Polypropylene (pp) bags with inner liner 50 kg. capacity by the supplier at later date beyond 21 days, the value of defective

Polypropylene (PP) Bags with inner liner 50 kg. capacity will be adjusted by the sugar mills at the rate applicable for the original supply or the rate applicable for the month in which it is replaced whichever is advantageous to the sugar mills.

If the cost of defective / damaged Polypropylene (pp) bags with inner liner 50 kg. capacity exceeds the 5% retention amount, the difference will be recovered from the suppliers' next bill itself.

If the supplier continues to supply defective Polypropylene (pp) bags with inner liner 50 kg. capacity, the purchaser has the right to cancel the remaining portion of the order quantity and procure the same from outside at the then prevailing market rate. In that event, the loss sustained, if any, by the purchaser will be recovered **along with interest** from the supplier.

In case of any dispute as to whether a Polypropylene (pp) bags with inner liner 50 kg. capacity is defective / damaged or not the decision of the respective sugar mills shall be final. Rejected Polypropylene (pp) bags with inner liner 50 kg. capacity should be removed by the supplier from the sugar mills concerned within 30 days from the date of rejection after replacement.

In the event of non removal of defective / damaged bags, the mills have liberty to dispose of such goods in such manner as they deem fit. The sale proceeds will be credited to the account of the supplier after deducting the expenses incurred for disposal and replacement. The supplier will not be entitled to claim any loss / damage occurred by such sale. The decision of the sugar mill shall be final and binding in all such cases. In case, the purchaser is unable to dispose of rejected Polypropylene (PP) Bags with inner liner 50 kg. capacity of the supplier, the supplier is bound to pay godown charges to the purchaser until the goods are removed.

If any amount is left unrecovered after the above adjustment, the same will be recovered from pending dues, EMD and Security Deposit of the supplier.

(B) Response for Telephone / Fax message from Tamil Nadu Co-operative Sugar Federation Ltd and Sugar Mills

The Tenderer / Authorised person when contacted over Cell phone / landline telephone numbers or fax number by Tamil Nadu Co-operative Sugar Federation or Sugar Mills for any complaints / clarification regarding quality and quantity of their products supplied to the sugar mills, any lapse of response and thereby if any loss is incurred to Tamil Nadu Co-operative Sugar Federation or Sugar Mills, the loss amount will be recovered **along with interest** from their EMD or Security Deposit amount or through other means in addition to blacklisting the Firm from attending the future tenders in Tamil Nadu Co-operative Sugar Federation and Sugar Mills.

22 AGREEMENT :

The contract will be on rate contract basis and the firm order will be placed by the individual mill based on the rate finalised by the Tamil Nadu Co-operative Sugar Federation.

The supplier should execute an agreement with the individual mill for fulfilment of the contract in non judicial adhesive stamp paper of value as per the law in the prescribed form within 10 days from the date of receipt of purchase orders from the mills. In the event of failure to execute the agreement within the time prescribed, the EMD and Security Deposit amount remitted by the tenderer shall be forfeited. Further, the Tamil Nadu Coop Sugar Fedn Ltd reserves the right to collect the consequential loss, if any, **along with interest** sustained by the member mills from the tenderer and the tenderer is bound to pay the same on demand.

23 JURISDICTION OF COURT :

For any dispute arising out of this contract, the jurisdiction will lie with the court in whose territory the mill is located.

24. APPLICABILITY OF TAMIL NADU TRANSPARENCY IN TENDERS ACT & RULES

The Tamil Nadu Transparency in Tenders Act, 1998 and the Rules made thereunder for the time being in force shall apply to the tender.

We agree to the above terms and conditions.
