

Shri N.K.Mathur, CMD-STC inaugurated Web-based Online E-Portal System

Web-based Online E-Portal System developed for the first time in India by STC for monitoring Offsets & Countertrade was inaugurated in a brief and impressive ceremony held in New Delhi in presence of representatives of Boeing, USA and CFM International, France who, along with Airbus, France and General Electric, USA are STC's Offset partners. Speaking on the occasion, Shri Mathur stated that with launching of this online e-portal system, STC would be in a position to monitor the offsets & countertrade programmes in a much more efficient manner.
